NEUSTADTSTRASSE 16, 6003 LUCERNE

This building can be found in the heart of Lucerne in the beautiful alpine town. The central location of VISIONAPARTMENTS in Lucerne offers easy access to all key amenities, including shops, restaurants, pharmacies, cinemas and everything the city has to offer.

There are several buses (number 4, 6, 7 and 8) that depart from the bus stop Bundesplatz and take you to the city center, the lake and the train station of Lucerne. From there, long-distance trains provide fast connections to all parts of Switzerland.

Some of the building's highlights are the central location as well as the cozy restaurant with terrace. The close proximity to many major industrial and commercial companies is another aspect that contribute to the attractiveness of the location.

Another special feature is the spa area in the building, where guests can relax and unwind.
